Smit Bracket

Smit Brackets are standard equipment mostly used on barges for towing and securing to moorings. They are available in standard sizing to suit loads or generally connect to specific hardware.

Nominal No.	A	B	C	E	F	D	H	S	Weight (kg)
54	500	450	115	75	140	78	20	120.5	104
